Operation/Administrative Reports:

Randy Harris states that they are still having issues with the aerators. They are going to change to a different company that rebuilds these. He says that he has been told that our aerators have seen their life expectancy. The 2 – horse should be finished tomorrow. He is sending 2 to EmTech, Inc. in Grand Junction. Randy has obtained his Class 1 Wastewater Collection System Operator/CWP Certificate and will look at taking over everything next month for sanitation. Samples have been sent. There are still a LOT of issues with wipes getting caught. Shawny is willing to send letters.

Patti Grafmyer reminded everyone of the Board 101 CIRSA class on July 25th. We were successful in getting the DOLA Grant for sewer taps and we have received the contract today. She also reminded the NSD Board that we are heading into budgets soon.
