1670 Naturita Street, Norwood, CO 81423  
6:30pm

Jenny Russell made a **motion** to deny the rate reduction request as there are many who own unused taps and pay the minimum per the Norwood Water Commission Rules and Regulations. Finn Kjome seconded the **motion**. **All** voted **yes**. **Motion carried**.

#### C. Rate Increase

1. Staff Presentation
2. Community Input (Public Hearing)
3. Board Input
4. Board Decision

Amand Pierce presented the rate increase with two proposals and a potential discount for seniors and veterans. No public comment was given. The board discussed each proposal as well as the potential for senior and veteran discounts. There were concerns expressed regarding the potential discounts and concerns regarding future possible increases in rates and how impacted our customers could be. There were concerns that 10 percent could be too much. One board member expressed concerns that if we do not take measures now then we could potentially end up in the same boat as Telluride when they had to make a 70 percent increase almost overnight. The board agreed that the rates would need to be increased over time and that we should start doing it now so the impact isn't as hard on everyone. It was expressed that the possibility of discounts should be needs based for the future.

Jenny Russell made a **motion** to approve proposal number 1 with a 10 percent increase across all rates. Finn Kjome seconded the **motion**. **All** voted **yes**. **Motion carried**.

#### D. Resolution #1209-W, Series 2024 – A Resolution Summarizing Expenditures and Revenues Adopting a Budget for the Norwood Water Commission for the Calendar Year Beginning on the First Day of January, 2025 and Ending the Last Day of December, 2025
