Bernice White, Chairperson

Norwood Sanitation District

Norwood, Co. 81423

Dear Mrs. White,

I am writing to you, the chairperson, to correct a statement made by Michael Grafmyer which was in the July 11, 2024 minutes of the Norwood Sanitation District. Mr. Grafmyer said Mayor Candy Meehan “ called former Town Clerk Gretchen Wells within 45 minutes of Amanda Pierce being fired asking if she could help.” This is not true. Mayor Meehan called me on July 9th at 7:15 in the evening. I was at a school bond committee meeting when she called, sitting right across from Amanda Pierce, when she called. I did not take the call then. I called her back when I got home that evening. She asked me if I would do payroll for the employees since Amanda and Becky Hannigan were no longer there. I declined. I believe Amanda was fired on July 8, so it clearly was NOT within 45 minutes of the firing. In fact, I had no idea Amanda was fired until she told me the night of that bond meeting.

Please enter this timeline correction in tonight’s minutes. If necessary, I have physical proof of this timeline. Thank you for making this correction!

Gretchen Wells
